Week of Aug 6-10

# WEEKLY CLASS NEWS

## WHAT WE ARE WORKING ON

I can really tell this is going to be a wonderful year! Each student is showing new skills daily, they are working hard and we are building a wonderful learning community! I love how encouraging they are to one another and how hard they have been working.

**Math:** We will continue learning to write, count and represent our numbers 1-10, we will also begin to compare numbers, you can practice this at home by having them count objects and write their numbers.

**Writing:** We will begin working on narrative writing, remember writing is very developmental and we will work through many stages.

**Reading:** We will be reading Lilly's Purple Plastic Purse, we will be answering questions about this book and retelling the story. You can practice at home by reading stories with your child and asking them questions about the text. You can even ask them about this book!

**Science/Social Studies:** We will be learning about being a good citizen within the classroom, school and world.

## IMPORTANT DATES

-August 17: Early Release Day & Track out day

## SIGHT WORDS

to

## HOMEWORK

We will not have official homework until we track back in. However I always suggest reading 20 minutes every night. Also talk with your students about their days and the school rules and procedures.
