

Miss Sardella's

Week of 7/30-8/3

WEEKLY CLASS NEWS

WHAT WE ARE WORKING ON

We had a great first week and I am looking forward to teaching this class of wonderful learners! This week we will continue to practice our school expectations and procedures as we begin to incorporate more learning opportunities.

Math: We will continue learning to write, count and represent our numbers 1-10, you can practice this at home by having them count objects and write their numbers.

Writing: We will begin working on letter formation as well as drawing detailed pictures that will accompany our future writing.

Reading: We will be reading *The Dot*, we will be answering questions about this book and retelling the story. You can practice at home by reading stories with your child and asking them questions about the text.

Science/Social Studies: We will be working on what it means to be a good friend, classmate and student.

IMPORTANT DATES

- August 4: Camp Chameleon Workday
- August 17: Early Release Day & Track out day

SIGHT WORDS

I

a

HOMEWORK

We will not have official homework until we track back in. However I always suggest reading 20 minutes every night. Also talk with your students about their days and the school rules and procedures.
